Leaving Certificate Applied Application Form 2023

STUDENTS NAME: _____

The Leaving Certificate Applied (LCA) is a distinct, self-contained Leaving Certificate programme and an alternative to the Leaving Certificate (Established) Programme. It is designed for those students who do not wish to proceed directly to university or for those whose needs, aspirations and aptitudes are not adequately catered for by the traditional Leaving Certificate programme. This programme is characterised by educational experiences of an active, practical and student-centred nature. The programme includes teaching styles which actively involve the participants in locating and using relevant information, and which promote personal responsibility, initiative, independence, reflection, self-evaluation, self-confidence and co-operation. Work experience is a central part of the programme as is continuous assessment. This results in a much reduced emphasis on terminal examinations.
