

To whom it may concern,

The aim of Work experience in the Leaving Cert Applied Programme is to provide students with a deeper understanding of the workplace and practical hands-on experience of the working world. It is a wonderful opportunity to try new areas of interest, develop new skills, challenge perceptions and make very useful contacts for future endeavours.

Friday work placement runs through-out the academic year.

Students work the hours requested by the placement between the hours of 9-4pm.

We would like to assure you that all students will be fully covered by the school insurance for all hours of placement. All work experience is on a voluntary basis and should not involve payment.

We have very high expectations of our students. It is the responsibility of the student to attend placement on the correct days at the agreed times and to notify the employer regarding absences or changes to the dates outlined. Students are aware they are representing both themselves and the school, and possible opportunities for students in the future. We expect all students to act in a mannerly and respectful way and complete tasks to the best of their ability.

In order to monitor attendance, we would really appreciate if you could sign the students *Work Experience logbook* every week. In order to make the process more meaningful, students are asked to reflect on their learning in their reflective journal. Students shall require more formative feedback from employers at the end of school terms and will distribute related forms at that time.

We are most grateful to all employers and agencies who offer our students an opportunity to explore meaningful areas of interest outside school. We acknowledge the commitment and time it takes to facilitate placements. We wish it to be an enjoyable and fulfilling experience for everyone involved.

Please feel free to contact Mr Forrest if you have any further queries or concerns.
