

May 2024

Dear Parents/Guardians,

We are delighted to announce that, after careful consideration and planning, and further to requests from the Parent's Association our school will be reinstating the foreign trip to Italy for Transition Year students in May 2025. This exciting educational opportunity has been eagerly anticipated, and we are thrilled to offer it once again to our students.

The trip to Italy is designed to enrich our students' cultural and educational experiences. It will include visits to historical sites and cultural landmarks, in Venice, Verona and Lake Garda, providing an immersive learning environment that complements our curriculum.

Detailed information about the trip, including the itinerary, costs, and travel arrangements, can be found on the school website [here](#) . We encourage you to review this information thoroughly and discuss the trip with your child to ensure it aligns with your expectations and their interests.

A deposit of €250 must be paid by June 14th 2024. Please be advised of an important eligibility criterion for the trip: any student who is suspended at any point throughout the academic year will be ineligible to participate. This would result in a loss of deposit. Please do not sign your son/daughter up for this trip if you have any concerns regarding their ability to follow the code of behaviour. This underscores our commitment to maintaining high standards of behaviour and ensuring a positive and respectful environment for all participants.

We believe this trip will be an invaluable experience for our students, and we are looking forward to seeing many of them take advantage of this wonderful opportunity. Should you have any questions or require further information, please click [on this link](#) . There will be a meeting for all parents/guardians of students going on this trip in early 2025.

Thank you for your continued support.

Yours sincerely,
Siobhán Synan
Deputy Principal
