

TY Programmes

I would encourage you all to take time to browse the amazing opportunities on offer here. This is by no means an exhaustive list. Please take note of dates and let me know if I need to do anything to help with your application. Please let me know if you find a programme that could benefit other students too.

You get out of TY what you put into it! Start as you mean to go on and plan out your year. It will fly by!

TY Programmes - Trinity College Dublin

www.tcd.ie
