

June 2024

Dear Parents/Guardians,

St. Peter's College would like to inform parents and guardians of upcoming changes to the school PE uniform. These modifications were approved by the Board of Management and once the updated Code of Behaviour is ratified by LMETB it will be published on the school website.

Existing crested PE uniform items, such as the polo shirt and grey hoodie, remain acceptable. However, it is now mandatory to purchase the official school crested tracksuit bottoms or leggings. The new school crested half-zip and school crested t-shirt are currently available at Dunboyne Sport & Leisure. Tracksuit bottoms and leggings will be available in late July or August.

The prices are as follows and images of some items are available by following this [link](#)

Half-zip: €40

T-shirt: €20

Tracksuit bottoms: €40

Leggings: €32

Please contact the school office if you have any further queries regarding the new PE uniform.

Regards,

Deirdre Maye

Principal
