

26th August 2024

Dear New First Year Students,

We hope that you have had a lovely summer and that you are now looking forward to joining us in St. Peter's College next Wednesday. We know that, as the time to join your new school comes closer, you may be feeling a mixture of nerves and excitement. We can assure you that this is all completely normal and that everyone will have similar feelings!

There is no need to be worried or nervous - we have a lovely team of Tutors and Monitors who are looking forward to meeting you and helping you as you transition into your new school.

To help you prepare for school on Wednesday, we are giving you an outline of what to expect for the first few days:

Wednesday, 28th August 9.30 am - 12.30 pm

We will assemble in the Community Centre and you will meet your Ceannairí, Ms McElroy and Ms Flood, your Deputy Principal, Ms Acton, your Tutor and Monitors.

All classes will be taken to classrooms and will do some fun activities to get to know your new classmates. You will also be given your timetables, lockers and have a tour of the school.

You only need to bring a copy, pen, a drink and a snack to school on Wednesday.

8.50 am - 10.50 am Follow up session with Tutors and a fun activity with the whole year group.
