## DEPOSITS & TOUR PRICE

If you're happy with the quote, please let me know so we can get accommodation & coaching held for you.

Deposits are collected online through a group link created for the St Peters Dunboyne tour.

The required non-refundable deposit is €150pp. Once tour numbers are finalised and the flights secured, we can confirm the tour price advised on 26 June 2024.

Parents/Guardians then receive an individual link where they can pay off the balance.

## CUT-OFF DATES

We recommend setting a date by which the students should have the deposit paid. If a student misses the book-on date, it may be necessary to charge a supplement if the flight price has increased.

## PASSPORTS & VISAS

Irish passport holders do not require a visa for a Belfast tour.

## YOUR ACCOMMODATION

Unless informed otherwise, students will be in multi-bedded rooms. Accompanying teachers will be in twin rooms. If this is not the case, let us know and we'll advise you of the additional cost and get it organised.

Almost all destinations these days have a tourist tax. In most cases, we cannot include this in the tour price because it is payable locally. We've set out the current amount overleaf but it is subject to change.

Many hotels require a security deposit to be paid on check-in and returned on check-out upon inspection of rooms.

## TOUR FINANCES

We can provide you with a report of who's booked on and who's paid what. This is real-time information which comes directly from our system. We recommend adding a contingency to the tour price. This can be rebated back to the Group Leader before your group travels. The final balance is due 10 weeks before departure.

## TRAVEL INSURANCE

We provide Premier insurance for our School Tours. We'll have the information for the students from the online payment system. To confirm the policy, we'll need the names & DOBs of the adults travelling.
